To: Zoning Department <zba@graffon-ma.gov>

Wed, May 25, 2022 at 2:14 PM

Good afternoon,

The Fire Department would like to provide a reminder that an addition or modification that occurs to a home after 2008 may require heat alarms in the added garage, and/or a hardwired smoke detector system within the residence. Thank you.

Captain Michael Killeen
Fire Prevention Officer
Grafton Fire Department
